

TRA Life and Health / LIMES Institute

30.04.2024

The Research Group “Chemical Biology & Organoids” located at the LIMES Institute (Carl-Troll-Str. 31, 53115 Bonn) is looking for a

Student research assistant – WHF or WHK (m/f/d)

(open until position is filled)

Tasks (after introduction/training as applicable):

- Assistance with tissue processing for organoid generation
- Assistance with organoid drug screens
- Transwell assays
- RT-qPCR
- Immunohistochemistry
- others, depending on your interest and lab-internal requirements

Requirements:

- Early Master Student in the Life Sciences
- Motivated and preferably some experience in one or more of the following: molecular methods (RNA, protein assays), cell-based assay systems, light microscopy including image analysis concepts

Working time: 12-20 hours / week (preferably more)

Start: as soon as possible

The position is available for max. 12 months

If you are interested, please send us a short letter of application and CV by e-mail.
