InCa Research Award 2021

What is the InCa Award?
The InCa (Inflammation and Lung Cancer) Award provides funding for scientific research projects dealing with the role of inflammation in cancer. There should be a connection to lung cancer.

Three projects, selected by an independent expert committee, will be supported with a grant of 20,000 € each.

Who can apply?
• Scientific, academic staff or
• Research groups with a responsible project lead
• Applicants not older than 40 years at the time of application (parental leave is credited), without a professorship (a junior professorship is acceptable)

What is the timeline?
The deadline for the submission of project ideas is August 31st 2021.
